Company: Joshua Robert Recruitment

Job Title: Recruitment Consultant

Employment Duration: January 2022 – December 2022

Location: Birmingham, Jewellery Quarter

- As a Recruitment Resourcer in the soft FM (facilities management) sector I mainly recruiting engineers, but I also recruited cleaners, project managers, facilities managers and others alike.
- What I would do is find suitable candidates for the roles that I had been given to fill that week. The goal I had been given was to find 15 people for 5 different roles to package them correctly.
- During this time I had gained enough experience to do some business development calls to reel in more roles for my team and me to fill, which I did successfully on multiple separate occasions, whether it be face-to-face or over the phone.

Company: Core Selection

Job Title: Account Manager/Finance Assistant

Employment Duration: January 2021 – January 2022

Location: Birmingham, Jewellery Quarter

- During the period that I was working at this small company, it went through a few different changes on what the company was going to be originally, it was a gateway company that was working under the kickstart scheme. However, when that ended, the company would be re-branded as a recruitment company.
- Around a month into this role, I had also spoken with the finance manager about helping her with her workload, which she agreed to, so I assisted her with cross-referencing and organising things on the Sage 50 side.
- So for the last two months, I worked at this company I was a recruitment consultant, bringing in roles to fill and finding suitable candidates for that roles.

Company: Tim Hortons – Part-Time
